

'The Force'

THE INTERNATIONAL FORCE GROUP

**Newsletter of FORCE Group
November - December , 2024**

From My desk

Dear Friends,

Good day! My pleasure to pen this note for the newsletter and I am glad to note that we have 2 New members joining the FORCE family since our last newsletter.

Let me again take this opportunity to welcome them and request all members to cooperate and develop business opportunities with all our new members and of course with all the others as usual.

The AGM is getting closer and the Secretariat has been sending regular updates. Please do your planning and talk to VMS China with regard to letters of invitation etc. needed for Visa's.

Wishing you all a bright and joyful season.

Warm regards,
Rohitha

We make transportation and logistics easy because we've been doing it for over 200 years! We're all about our customers. As your transport and logistics partner, we bring your goods to their destination safely and on time - anywhere in the world.

In our state-of-the-art logistics and fulfillment centers, we store your goods safely and according to your individual requirements and offer you extensive value-added services tailored to your needs.

We ensure that you can easily keep your promises to your customers.

Safe and punctual worldwide - thanks to decades of experience.

Logistics

Tailor-made logistics solutions for you

Transport

Reliable and professional from A to B

Digitalization

Digital innovations for your success

In addition to transport organization and implementation, our core competence also lies in warehouse and contract logistics. We see ourselves as your "one stop shopping" partner when it comes to logistics.

We will be happy to advise you individually and work with you to develop tailor-made concepts for your warehouse logistics and transport needs. Because at Dehn, it's not just about getting your goods from one place to another – it's about supporting you so that you can be even more successful on the market.

Let's conquer the world of transport and logistics together!

Empowering Global Connections

Established in 2013 in Pakistan, we have achieved remarkable success and growth year after year. With our headquarters in Karachi and a branch office in Lahore, we have rapidly expanded our reach to cover major economic hubs worldwide. In a short span, we have revolutionized the transportation industry with our cutting-edge systems and exceptional service. Despite the global economic downturn, we have thrived and emerged as a leader in the sector. Our management team recognized the need to adapt and innovate to stay ahead. We have therefore focused on enhancing our expertise, particularly in the Expedited Freight segment, to drive growth and excellence. Today, TRANS ORIENT LOGISTICS (PVT) LTD. is synonymous with reliability, efficiency, and customer-centricity. We continue to evolve and set new benchmarks in the logistics industry, empowering businesses and connecting communities worldwide.

Services :

- **Sea/Air/Land | Freight | Custom | Clearance**
- **Local transportation | Cross border deliveries**
